LOCAL NOTES.

We are thankful for a fine water melon  
left with us Saturday by M. K. Meadows.  
Geo. Webb has our thanks for cash  
on subscription this week.  
Game of ball Saturday between the  
Beaver and Cottonwood nines.  
George Drummond came down from  
Sharp's creek Sunday and visited with  
home folks, returning Monday.  
The Board of County Commissioners  
do not seem to be worried much by the  
criticisms of the South and West. By  
their silence they seem to say "Shoo fly  
don't you bother me."  
This is the time of year in Oklahoma  
(as everyone will be glad to learn) when  
the paper that didn't get the county  
printing discovers that the county com-  
missioners are robbing the people.—  
Edmond Sun-Democrat.  
If a fly drops into a beer glass, one  
who has made a study of national charac-  
teristics, can easily tell the drinker's  
nationality by his action. A Spaniard  
pays for the beer, leaves it on the table  
and goes away without saying a word. A  
Frenchman will do the same, except that  
he swears as he goes. An Englishman  
spills the beer and orders another glass.  
A German carefully fishes the fly and  
finishes drinking the beer as if nothing  
had happened. A Russian drinks the  
beer with the fly. A Chinaman fishes  
out the fly, swallows it, and throws the  
beer away.—Exchange.  
Camp Meeting.  
There will be a Camp Meeting in the  
Davis grove, on the Frisco, commencing  
Sept. 5 and lasting four days. Rev. W.  
H. Rose, of Dodge City, Kas., will have  
charge of the meeting and will be as-  
sisted by several of the brethren from  
the State. All invited to come prepared  
to camp with us and enjoy a good time.  
A. M. LIVINGSTON, Pastor.

S. W. Miles, of Meade, is in Beaver  
this week on legal business.  
F. S. Drummond has just completed  
a neat sod-house, well and other im-  
provements on his place west of town  
and will move his family out to it next  
week.  
Advertised list of letters remaining  
unclaimed in the postoffice at Beaver,  
Okla., for month ending July 31, 1895:  
Harry E. Whitney,  
C. G. Prude,  
Oran Allen, (Addressed Beaver Co.)  
F. C. TRACY, P. M.  
Meade Globe.  
Robt. Loofburrow, of Beaver, was in  
town the first of the week looking  
stale and happy. Bob is one of the  
influential men of his town and a young  
man of lots of good sense and business.  
He reports our old friends Pymmett and  
Mears both well and just tickled to death  
over the fine outlook for their business.  
Sam Mills was in town Tuesday and  
called around at the Globe office. Mr.  
Mills has sold out his interests in Beaver  
and in a few days will leave for Cali-  
fornia where he will probably locate.  
Beaver loses one of her best citizens  
when Mr. M. goes away.

I will close my studio Aug. 16, and  
open again Aug. 26, and will leave here  
September 1st, so if you wish work call  
while you can get good work. All nega-  
tives made after the 16th. will be re-  
turned by mail. Enlarging and Fram-  
ing a specialty.

the Class in Calisthenics will give a drill  
and marching exercise in dress uniform.  
If it can be so arranged the exercises  
will be interspersed with music by the  
Beaver Band. Further particulars later.  
On Wednesday evening August 21,  
it is hoped that Rev. Walker, of Gate  
City, will lecture. Should anything  
arise to prevent his appearing we have  
arranged to have Miss Overstreet give a  
paper which she read before the Terri-  
torial Association at Christmas time.  
Subject—"Does it Pay?" Good music  
will be furnished.  
Mr. Munsell will deliver a lecture be-  
fore the students of the Institute on

Subject: "Labor Omnia Vincit". There

are cordially invited to attend.  
The social given last Friday evening  
at the court room by the teachers and  
students of the Normal was well attended  
and the effort made for the entertainment  
of those present was highly appreciated  
by all.  
NEIGHBORHOOD NEWS.  
Gate City Gossip.  
Warm, well I should remark.  
All crops are growing nicely.  
Mr. Claude Powell, from the Buffalo, was  
seen on our streets Monday.  
Uncle Jim Kerns, who got seriously hurt  
a short time ago, is able to be up and around  
again.  
H. F. Simons traded horses with Fred  
Edwards Saturday. Henry thinks he has  
"the" horse now.  
J. R. Hudson contemplates returning to  
the east in a few days.  
John Kerns went to Englewood Sunday.

His business there can better be imagined  
than described.  
Rev. Walker preached an excellent sermon  
last Sunday.  
Everybody came to the Sunday school  
concert next Sunday after Sabbath school,  
J. D. Nuckolls went to work for Mr. Owers  
last Monday.  
J. H. Williams has sold his farm to clay  
Murphy, and expects to leave here the first  
of next month. His many friends regret to  
see him go.  
R. B. Kerns went to Logan Saturday for a  
visit with the family of Wm. Baker.  
Mr. Simmons and family and Mr. Turn-  
bull and family went down on clear creek  
plumming last week, and got about five  
bushels apiece.  
What has become of "Little Phil." Why  
so silent.  
Joe Innis' smiling countenance is once  
more seen in this part of the country.  
Mrs. Anna Williams and daughter cora  
left last week for their home in Indianapolis  
Ind. They have been visiting the former's  
parents for some time.

CHAS. E. HULIT.  
WASHINGTON LETTER.  
From our regular correspondent.  
WASHINGTON, D. C., Aug. 9, 1895.  
Hon. Howell Edmunds Jackson, As-  
sociate Justice of the Supreme Court of  
the United States, died at his residence  
at West Meade, Tenn. six miles west of  
Nashville, at 2 o'clock, yesterday after-  
noon, in the sixty-fourth year of his age,  
of consumption. Judge Jackson had  
been in failing health for the past four  
years, but it has been only in the past  
eight or ten months that the progress of  
the disease began to cause his family and  
friends uneasiness. His funeral will take  
place next Sunday afternoon.  
It is also reported here that Ex-Jus-  
tice William Strong, of the U. S. Su-  
preme Court is dying. He is 87 years  
of age and his physician and family have  
no hopes of his rallying.  
Senator Stewart is a very consistent  
man. He has stood as the high priest  
of silver ever since the crime of '73 was  
perpetrated on the arid and unsuspecting  
West, and now in these latter days,  
when it comes to the question of having  
an injured knee moulded to form and  
usefulness, he sticks to silver still and  
has himself sewed together with  
wires of the white metal. The Senator  
was very much amused himself at being  
patched up with silver and says he is  
going to use it as another argument in  
favor of the virgin metal when he gets  
out to stump the country.  
Col. Dick Bright, who ought to be  
an authority on the subject, says he is  
willing to wager that if gold wire was  
used instead of silver the doctors would  
certainly have had a case of blood poison-  
ing on their hands within 24 hours.  
Ex-Senator A. J. McFarlin was on  
Wednesday nominated for Governor of  
Mississippi by acclamation. No man has  
ever before been so nominated in that  
State for Governor. Free silver was the  
key note of the convention.  
Ex-Senator Manderson, of Nebraska,  
arrived in town the early part of the  
week to take part in the hearing before  
Comptroller Bowler as to the constitution-  
ality of the law for the payment of the  
sugar bounty. Senators Caffery and  
Blanchard, of Louisiana, are also here,  
and Judge Simmons, of New Orleans, is  
expected.  
Secretary Smith, of the Interior De-  
partment, is still in Georgia. He has  
made quite a number of speeches so far  
and is not expected to return to Wash-  
ington until the latter part of the month.  
The Coal Operators and Union Miners  
at Pittsburgh have reached an agreement  
which will take effect the first of Oc-  
tober next, thereby the wages of 100,000  
men will go up.  
National Irrigation Congress.  
The programme for the National Ir-  
rigation Congress, which meets in Al-  
buquerque, N. M., in September, indi-  
cates an unusually able series of papers  
and addresses. The address of welcome  
to the delegates will be made by Gov-  
ernor Thornton who will be followed by  
Judge J. S. Emery, of Kansas. Among  
the other speakers will be Hon. Clark E.  
Carr, of Illinois; Ex-minister to Den-  
mark and Ex-governor L. A. Sheldon,  
of Los Angeles; John E. Frost, and

# Stock Brands.

Every man with 50 head of cattle or  
upward should advertise his brand in  
this paper, and thus within a month,  
perhaps, regain stock which has been  
missing for weeks, and which he has  
given up as lost. Our circulation  
throughout this section is wide and  
steadily increasing, and your brand in-  
serted in these columns will become fa-

the southwest, largely increasing your  
chances of regaining strayed or stolen  
stock. Send in your orders.

# GREAT ROCK ISLAND ROUTE

TO THE EAST.  
BEST DINING CAR SERVICE IN THE WORLD.  
The Rock Island is foremost in adopt-  
ing any advantage calculated to im-  
prove speed and give that luxury, safety  
and comfort that popular patronage de-  
mands. Its equipment is thoroughly  
complete with vestibuled trains, mag-  
nificent dining cars, sleepers and chair  
coaches, all the most elegant, and of  
recently improved patterns.  
Faithful and capable management  
and polite, honest service from em-  
ployees are important items. They are  
a double duty—to the Company and to  
travelers—and it is sometimes a task  
difficult of accomplishment. Passen-  
gers on this line will find little cause  
for complaint on that ground.  
REMEMBER  
The Great Rock Island Route runs all  
regular trains to Englewood suburban  
station, close to World's Fair grounds,  
and you can save time and trouble by  
getting off at that point and avoid the  
crowd in the city.
